Tutoring Experience

Over the past decade, I have successfully guided students through the complexities of IB, A-Level, and IGCSE Biology. I provide a comprehensive approach that ensures students grasp key concepts and excel in their assessments. My students have consistently achieved top marks and gone on to pursue scientific degrees.

In addition to exam preparation, I have supported students in deepening their understanding of advanced biology topics, fostering a strong academic foundation for future success. My tailored tutoring sessions help students build confidence and develop problem-solving skills essential for challenging scientific curricula.
