## Tutoring Experience

I have spent the past decade working with students from diverse backgrounds, specialising in IB English Language and Literature, as well as TOK and Extended Essay guidance. My students consistently achieve outstanding results, particularly in written assignments and exams. I am passionate about helping students develop their analytical skills and improve their performance.

In addition to IB, I've also supported students in A-Level and IGCSE English, helping them excel in literary analysis and essay writing. Whether preparing for exams or working on complex projects like the TOK essay, I ensure that students have a deep understanding of their subjects and are fully prepared for success.
